Update regarding COVID-19 Restrictions

On January 12, 2021 the Ontario Government, in consultation with the Chief Medical Officer of Health immediately declared a second provincial emergency under s. 7.0.1 (1) of the *Emergency Management and Civil Protection Act*. In addition, effective Thursday, January 14, 2021 at 12:01 a.m., the government is instituting a stay-at-home order requiring everyone to remain at home with the exceptions for permitted purposes or activities, such as going to the grocery store or pharmacy, accessing health care services, for exercise or for work where the work cannot be done remotely.

The College has received confirmation that health services can remain open and that no additional restrictions have been placed on regulated health professionals at this time. The Chief Medical Office of Health's Directive #2, the Ministry of Health *COVID-19 Operational Requirements: Health Sector Restart*, and the College's *Reopening Guidelines* continue to

apply to all NDs in Ontario. Naturopaths are encouraged to continue to conduct appointments virtually unless in-person care is necessary.

We will be sure to share any additional information and guidance as it becomes available.

If you have any questions, e-mail us at general@collegeofnaturopaths.on.ca

Jeremy Quesnelle
Deputy CEO
College of Naturopaths of Ontario
