

The College of Naturopaths of Ontario

2021-22 Registration Renewal Schedule

Important Dates

Here is a list of important dates and deadlines around the 2021 renewal period. To avoid incurring a late fee and potentially affecting your registration status, ensure you submit your online information return form and payment (either full payment of your registration fee OR enrollment in the College's Payment Plan Program) before the March 31, 2021 5:00 p.m. EDT deadline.

Note: Some information may require additional information or review prior to your being provided with access to the payment portal and the ability to complete the renewal process. Reviews may take up to 5 business days depending on the volume experienced by the College at that time, and Registrant response time to College requests for additional information or documentation. Please allow yourself sufficient time to complete the process prior to March 31.

Annual Registration Fees & Information Return

February 18, 2021 at 9:00 a.m. EST	Launch of registration renewal for the 2021-22 registration year: online information return form available and online fee payment portal, and Payment Plan enrollment open.
