9 Investigate and deal with all incidents and complaints of workplace violence in a timely and fair manner, respecting the privacy of all concerned to the extent it is possible.

This policy is not intended to limit or constrain the reasonable exercise of management functions in the workplace. Nothing in this policy prevents or discourages a worker from filing an application with the Human Rights Tribunal of Ontario (or any successor agency) on a matter related to Ontario's Human Rights Code within one year of the last alleged incident. A worker also retains the right to exercise any other legal avenues that may be available.
