	Title  <b>Commitment to Strategic Planning</b>	Policy No.  GP20.01
		Page No.  1

*Council recognizes its legal and moral responsibility for the governance of the College of Naturopaths of Ontario and for seeing to it that the mission of the College is carried out while evolving the strategic direction it takes.*

Accordingly,

1. At least every five years, the Council will consider whether it needs to dedicate a portion of its resources to focus on the long-term goals of the College.
2. All members of Council and the senior management team will participate in a strategic planning process agreed to by Council.
3. The strategic planning process will lead to a review/update of the Ends policies.
