

The College of Naturopaths of Ontario

ENTRY-TO-PRACTISE PROCESS APPLICANT CHECKLIST

The following checklist is provided to assist individuals who are applying for registration with the College of Naturopaths of Ontario (the College), having completed a CNME-accredited program in naturopathy. If applying for registration as a ND, currently registered and practising in another regulated Canadian jurisdiction, please contact the Applications Department at applications@collegeofnaturopaths.on.ca for additional information regarding the application process.

Applicants who completed international or non-accredited training, who are seeking registration with the College via the Prior Learning and Recognition (PLAR) Program, should refer to the [PLAR Applicant Checklist](#).

For details about each of these requirements, please refer to the “[Applicants](#)” section of the website of the College of Naturopaths of Ontario (the College) and the “[Application for Registration Handbook](#).”

Step 1: Pre-Registration

- Submit a completed [Pre-Registration Application](#) along with a copy of valid photo identification (by mail or e-mail).
- Arrange for CNME-accredited program transcript(s) to be sent directly to the College.
- Complete exam registration form, pay exam fee & complete the [Ontario Biomedical examination](#).*
- Complete exam registration form, pay exam fee & complete the [Ontario Clinical Sciences Exam](#).
- Complete exam registration form, pay exam fee & complete the [Ontario Clinical \(Practical\) Examinations](#).
- Pay exam fee & complete the [Ontario Jurisprudence Examination](#).

Step 2: Application for Registration

- Complete the Application for Registration Form.
- Pay application fee: \$275 + HST.
- Mail in original Canadian Police Information Centre (CPIC) report to the College.
- Provide copy of healthcare provider level (HCP) or equivalent (e.g., Basic Life Support with AED) CPR certificate (by mail or e-mail).
- Arrange to have Letter(s) of Standing sent directly to the College by the regulatory body (required only if previously or currently registered with another regulatory body, anywhere in the world, to practice any profession).

Step 3: Issuance of a Certificate of Registration

- Complete Professional Liability Insurance (PLI) declaration form.
- Provide copy of PLI certificate (copy by mail or e-mail).
- Mail in original photo for Public Register along with completed Photo Submission Form.
- Pay [registration fee](#).

** NOTE: The College will continue to accept proof of successful completion of NPLEX I (provided it was completed before November 15, 2020) until the May 15, 2021 deadline. This means that applicants who successfully completed their NPLEX I before November 15, 2020 may still use this exam as one of the required exams for registration with the College, until May 15, 2021.*
