Please provide any additional feedback about the Examinations Appeals Committee that you would like to share.

- Having only attended one committee meeting to date, I feel unqualified to respond to the above questions.
- We had one meeting and it was an outstanding session. The feedback provided is that the meeting should have been recorded for training purposes as it met and possibly exceeded all expectations.
- We've only really met once, and I found our discussion to be extremely productive and respectful. I feel very confident in the decisions that were made and the process by which we arrived at them. All committee members were active contributors. A real pleasure!
