

## ***The 2024 Registration Renewal Season is now open!***

The annual registration renewal for 2024-25 is now open. Renewing your registration with the College of Naturopaths of Ontario (the College) includes completing the online Information Return form and paying the annual registration fee by **5:00 p.m. ET on Sunday, March 31, 2024.**

*\*The College will be closed from Friday March 29, 2024, through April 1, 2024. To ensure you meet the March 31, 2024, deadline, you're encouraged to complete your Information Return form early and either pay your renewal fees or enrol in our payment plan. Delays may occur in the processing of submitted Information Returns where College staff need to further review and validate the data provided. Information Forms submitted after 5:00 p.m. ET on March 28, 2024, run the risk of incurring late fees should an Information Return be incomplete or require validation by staff while the College is closed.*

## ***REP Complaints and Investigations: Converting Retreat into Advance (March 11, 2024)***

In this upcoming March session of the Regulatory Education Program (REP), we'll review the complaints and investigations processes, the role of investigators, whether there is a need for legal support, and some helpful suggestions on how to cope with the process.

You'll learn that the complaints and investigation process isn't one to which you are subjected, but rather one that's balanced and in which you play an important role.

Regulatory Education Program  
College of Naturopaths of Ontario

## ***2024 Regulatory Education Program (REP) Topics and Dates Released***

The College of Naturopaths of Ontario is pleased to announce its preliminary line up of the *Regulatory Education Program* (REP) for 2024. All sessions run for approximately one hour and, subject to final approval by the Quality Assurance Committee, are eligible for 1 continuing education credit in jurisprudence.

Our presenters are registrants of the College who have extensive regulatory experience. Click over to our website for the full list and registration information.

## ***Volunteer Opportunities with CoNO!***

Volunteers are an integral part of the regulatory system in Ontario. The College continues to seek the participation of registrants in several roles, including Assessors for the Prior Learning Assessment and Recognition (PLAR) Program and members for the Examinations Committee (Entry-to-Practise).

Explore these and other open volunteer opportunities with the College!
