

In Conversation With... Inspection Program

This upcoming session focuses on the College's Inspection Program for premises where Intravenous Infusion Therapy (IVIT) is performed. Our expert panel will walk you through how the program works, what the standards are and the inspection process itself. Don't miss this opportunity; secure your spot today!

Currency Hours & Practising the Profession

What are the requirements for currency hours? What happens if they are not met and what options are available for individuals who practise in a role related to naturopathy but don't provide direct patient care?

Read on to find out the answers to these questions.

Volunteer Opportunities!

We need your help! The College is seeking volunteers to assist as Acupuncture and Physical Exam/Instrumentation examiners at the College's **July 16, 2023** session of the Ontario Clinical ((Practical) Exams. We are also seeking item writers for our upcoming June 2023 Ontario Biomedical exam maintenance session.

If interested in either role, reach out to us via e-mail for more details on how to get involved.

Accepting Delegation of Controlled Acts authorized to Naturopaths

As an ND, can you accept a delegation to prescribe a drug or administer a substance by intravenous infusion therapy (IVIT)?

If you have questions about this issue, you're not alone! Let us provide you with some clarity on the delegation of these controlled acts.
