

Regulatory Education Program: Navigating the Complexities of Consent

The first session of the College's new Regulatory Education Program (REP) will focus on navigating the complexities of consent for treatment. The session is designed to provide clarity and practical approaches to establish and maintain informed consent when treating patients.

For more information and on how to register, click below.

Regulatory Education Program

The College's new Regulatory Education Program (REP) offers free virtual educational webinars, designed to allow Registrants and the public to learn more about the regulatory framework governing NDs in Ontario, and help NDs not only comply, but also avoid potential issues that present a risk of harm to the public.

Read on to learn more about the program and how it can help you.

Volunteer Opportunities!

We need your help! The College is seeking volunteers to assist as examiners at the College's **July 16, 2023 and October 15, 2023** sessions of the Ontario Clinical (Practical) Exams. We are also seeking item writers for our upcoming June/July 2023 Ontario Biomedical exam maintenance session.

If interested in either role, reach out to us via e-mail for more details on how to get involved.
