Regulatory Education Program

The College's new Regulatory Education Program (REP) offers free virtual educational webinars designed to allow Registrants and the public to learn more about the regulatory framework governing NDs in Ontario, and help NDs not only comply, but also avoid potential issues that present a risk of harm to the public.

Click to learn more about the program and how it can help you.

Change is coming to the In Conversation with series

Beginning in September, In Conversation With sessions, hosted via Zoom, will forgo the meeting-style format in favour of a webinar structure, allowing sessions to be recorded and made available for later viewing by those who are unable to attend live sessions due to scheduling conflicts.

The next session will be held on **Thursday September 28 9:30-11am ET** on Self-Reporting and Mandatory Reporting. Stay tuned for more information and registration details.
