Regulatory Education Program  
College of Naturopaths of Ontario

### **REP - Sexual Abuse 201: Boundaries, Ethics & Patient Management**

Join us this **September 22, from 12:00 p.m. – 1:00 p.m. ET** for an insightful Regulatory Education Program session about sexual abuse that explores how boundary violations can occur and how to prevent them! This session covers professional boundaries, ethical responsibilities, and offers scenario-based examples to help you prevent boundary violations and maintain public trust.

### **Resources for the Prevention of Sexual Abuse**

The relationship between a patient and a naturopathic doctor must remain therapeutic and professional, focused exclusively on providing care. To assist in the prevention of sexual abuse, the College offers a Patient Relations Program that provides education and resources to help patients and naturopathic doctors understand professional behaviour.

### **Oral Micronized Progesterone: Final Call for Consultation Feedback!**

There's still time to provide your input on a proposed addition to Table 3 of the General Regulation that would permit Naturopathic Doctors to prescribe oral micronized progesterone. We've received pertinent and valuable responses from registrants and stakeholders and encourage anyone who hasn't yet participated to share their feedback. This formal consultation closes on **September 8, 2025, at 5 p.m. ET.**
