2026 QA Self-Assessments

2026 QA Self-Assessments are coming up! All registrants must complete two mandatory assessments: **Laboratory Testing** and **Record Keeping** – plus a third self-assessment of your choice as part of the annual registration renewal period. These are designed to be supportive and useful for your professional development and are a valuable opportunity for you to learn and grow as a professional. Don't miss the March 31 deadline!

Therapeutic Prescribing Standard (TPS) Data Collection & Reporting

In 2024, College announced that beginning in 2025, it would be requiring registrants to collect data relating to the drugs they prescribe, dispense, compound or sell and substances that they administer by injection or inhalation.

At this same time, the College created a Support System to aid in the collection of this annual data. Read the full article to access links for enrolling in the Support System for TPS data collection for 2026, providing your feedback on improvements you would like to see on the collection form, or to learn more about what TPS data will be required to be reported in the new year.
