Regulatory Education Program
College of Naturopaths of Ontario

REP: Fees and Billing Related to Record Keeping

The upcoming *Regulatory Education Program (REP)* session on **May 29, 2025, from 12:00 p.m. to 1:00 p.m. ET,** will focus on strategies to maintain clear, accurate, and compliant billing records. You will gain valuable insights into the *Regulated Health Professions Act (RHPA*), *the Personal Health Information Protection Act (PHIPA),* and standards of practice. You will learn how to apply best practices in billing documentation, the importance of informed consent, fee disclosure, and preparing for audits and compliance reviews.

Benefits of Volunteering

Volunteers play a vital role in supporting the work being done here at the College to regulate the naturopathic profession and public the public's interest. For the College, the work of our volunteers is indispensable, for our volunteers, volunteering can be a meaningful way to give back, to grow personally and professionally and help shape the future of naturopathic care in Ontario. Discover how getting involved can benefit both you and your community.

Learn more on how to contribute.

Consultation on Specialization

The College of Naturopaths of Ontario (CoNO) is conducting an important consultation as part of its 2023-2027 Strategic Plan and the key objective of ensuring the College effectively regulates naturopathic doctors so that they are publicly trusted. This preliminary consultation will examine the potential for developing a program of specialization and how a specialization might be recognized.

Visit our website for the complete details and supporting documents to provide your feedback today! The consultation closes on **June 27, 2025.**

Learn more

In support of this consultation, the College will be holding an *In Conversation With (ICW)* session on June 19, 2025 at 11:00 am ET. Register now!

FAQ - Reporting Communicable Diseases

When you receive a lab result confirming a patient has Lyme Disease, are you required to notify Public Health? According to the *Health Protection and Promotion Act* (HPPA), naturopathic doctors must report certain communicable diseases.
